

**LOCATIONS**

**HOURS OF OPERATION:**

Tuesdays and Thursdays, Noon – 4 p.m.

Saturdays 9 a.m. – 5 p.m.

Facilities will be open 9 a.m. – Noon Dec. 24, and Dec. 31, 2016

The Clarenville Waste Recovery Facility (opening January 2, 2016) will have extended hours. Please see page 15 for details.

These sites are for residential drop off for any item that cannot be brought to the curb for regular weekly collection such as appliances, furniture, mattresses, hot water tanks, electronics (in conjunction with the Electronic Products Recycling Association), cell phones (in conjunction with the Recycle My Cell program), metals, propane tanks, car and truck tires with rims removed (in conjunction with the MMSB Used Tire Recycling program), ATV and motorcycle tires, construction and demolition material, shingles, brush, etc. We will not take anything that is recyclable or materials that decompose, including cardboard, clothing, food items, leaves, grass clippings and fish nets. Sites may have wood chips available for public pickup.

**Only the Clarenville area facility will accept materials from contractors or businesses. Commercial fees apply.**

**NEW WASTE RECOVERY FACILITIES IN 2016**

- Clarenville Transfer Station is scheduled to open January 2, 2016.
- Whitbourne Waste Recovery Facility is scheduled to open in early 2016.

# WARNING

## USE OF DUMP TRAILERS PROHIBITED
